INTRODUCTION TO WODONGA PATHWAYS

Whether taking a leisurely stroll, going for a jog, getting on your bike, taking the children for a walk or going for a power walk, Wodonga’s pathways offer something for everyone. They are an important part of the community, taking workers to work, shoppers to shops and children to school. They enhance peoples quality of life. They can improve health, conserve resources, provide close-to-home recreation, as well as giving us an environmentally-friendly transport option. This guide will give you information on how to access more than 80kms of bike/walking pathways in and around Wodonga. Bicycles are available for hire from the Wodonga Visitor Information Centre.
SAFETY TIPS

- Make sure you take water to drink - particularly in hot weather.
- Don’t wait until you are thirsty - make sure you drink plenty of water/liquid.
- Wear sunscreen and a hat.
- Make sure you understand the route you will take - how long and how difficult it is. Walk or ride within your limits.
- If you intend going on a long ride/walk, take identification, money and your mobile phone in case of an emergency.
- If you come across an area of the pathway that you consider dangerous or in need of repair, please contact Wodonga Council on (02) 6022 9300.
- Cyclists should remain aware of swooping birds during the spring months (September, October and November) especially magpies and plovers. If you cannot avoid the area, be sure to wear a helmet, and dismount and walk through the affected area to ensure your safety. You can report a swooping bird by contacting the Department of Environment and Primary Industries (DEPI) on 136 186.

SHARED PATHWAYS

- Beware of unleashed dogs.
- Bike riders and skaters should give way to pedestrians.
- Make sure you ride at a speed at which you can stop easily.
- If you stop, move off the pathway; this will let others safely pass you.

RIDERS

- By law, you are required to wear a helmet.
- Make sure you wear comfortable clothes.
- Pedalling in high gear for long periods can affect your knee joints.
- If you are riding at night, your bike must have a front white light, a rear red light that can be seen 200 metres away, and a rear red reflector.
- If you are riding on road, use the bike lanes where possible.
- Use hand signals when turning.
- Obey all road rules.
- Ride one metre out from the kerb or parked cars.
BIKE HIRE

Bike hire is available from Wodonga Visitor Information Centre in Hovell St, Wodonga. They have adult bikes available on a daily basis, bikes can be hired for a full day for $35, half day for $25 and $15 for two hours hire.

All bikes come with approved safety helmets, bike chains and bicycle tool kits.

LOGIC LOOP

The Logic loop provides on road riding along McKoy St and Sheathers Rd out to the Murray Valley Hwy overpass at Logic. This loop suits group riding.

12km (one way)

Terrain
On road

Connecting pathways

- West Wodonga

WEST WODONGA

This entire circuit is a solid 10km ride on a combination of on and off-road surfaces, or you can choose to take a leisurely walk. It provides access to the La Trobe University and Wodonga TAFE precinct, as well as adjoining a wetland alongside Moorefield Park Drive and the Wodonga Golf Course and Club House on Parkers Rd.

10.2km

Terrain
On and off-road

Connecting pathways

- House Creek
- Birallee Park
- Felltimber
- Yaralumla/Castle Creek
BIRALLEE PARK

The Birallee Park pathway provides the opportunity to connect from both the Felltimber and West Wodonga route through to a variety of Wodonga facilities such as the Wodonga Sports and Leisure Centre, Birallee shopping centre and Wodonga BMX track. This link takes users through off-road reserves and park areas, and is suitable for all ages.

2.5km

Terrain
On and off-road

Connecting pathways
- Felltimber
- West Wodonga
The Felltimber loop is adjacent to one of Wodonga's major thoroughfares in Felltimber Creek Rd. Users can access challenging walking trails including McFarlanes Hill and Federation Hill, and also link to the House Creek, Yarralumla, West Wodonga and Biralle Park pathways.

10.9km

Terrain
On and off-road (some inclines in trail)

Connecting pathways
- House Creek
- Yarralumla/Castle Creek
- West Wodonga
- Biralle Park
YARRALUMLA/CASTLE CREEK

This pathway links with Willow Park, giving access to the skate bowl, playground, wetlands and House Creek. It is ideal for an exercise regime with 7.5km of off-road paths of varying grades, and also links to the House Creek, Felltimber and West Wodonga circuits.

8.9km

RAIL TRAIL LINK

The Murray Valley Hwy takes you to the nearby defence facilities, the Bonegilla link and the High Country Rail Trail, which provides a natural environment to Lake Hume and beyond. The route is a combination of on and off-road paths along Thomas Mitchell Drive to the Murray Valley Hwy, where the trail becomes all off-road.

10.6km

Terrain
On and off-road

Connecting pathways
- Killara link
- Baranduda link
- Gateway Island/Belvoir Park
BARANDUDA LINK

The Baranduda link connects from the Rail Trail link at the Kiewa Valley Hwy. This pathway provides riders with direct access from Wodonga to Baranduda. This route is a combination of on and off-road paths and provides access to the schools located in Baranduda, the community centre, shopping complex and recreation reserve including the skate park.
